Following the events the fireside chat and presentation webcasts will be accessible from Arbe's Investor Relations website https://ir.arberobotics.com/news/ir-calendar.

About Arbe
Arbe (NASDAQ: ARBE), a global leader in ultra-high-resolution radar solutions, is driving a radar revolution. Its cutting-edge radar chipset delivers up to 100 times more detail than other radar systems, empowering automakers and radar Tier-1s to develop truly safe driving systems that scale from ADAS to hands-free, eyes-off capabilities up to full vehicle autonomy. Arbe's technology addresses critical use cases and provides real-time data for mapping of drivable free space in highway and urban environments across all weather and lighting conditions. With its transformative impact across passenger, commercial, and industrial vehicle segments, as well as other advanced applications, Arbe is redefining the role of radar in next-generation mobility. Headquartered in Tel Aviv, Israel, the company also operates offices in the United States, Germany, and China.
