

SoundThinking Announces TechnoLogic Contract Renewal with New York City Police Department

Summary: SoundThinking, Inc. today announced a renewal of its partnership with the New York City Police Department for TechnoLogic, its subsidiary providing enterprise resource and investigative case management software and services.

Fremont, Calif. – March 20, 2025 – [SoundThinking, Inc.](#) (Nasdaq: SSTI), a leading public safety technology provider, today announced that the New York City Police Department (NYPD) is renewing its contract with TechnoLogic Solutions, LLC, a SoundThinking subsidiary (formerly LEEDS, LLC) to provide law enforcement enterprise resource and investigative case management software and services. Total contract value is approximately \$43 million over a 3-year term.

TechnoLogic and its predecessors have supported NYPD for the past 19 years with a customized enterprise resource and case management software solution. Applications include, but are not limited to: Police Records Management, Prisoner Arraignment, Summonses, Complaints and Arrests, Personnel Management, Juvenile Apprehension, Warrants, Property and Evidence Management, Command Discipline, and Medical Case Management. Together, these applications serve and support more than 35,000 active users within NYPD.

“This renewal is a testament to our strong partnership with the NYPD, validating our capabilities and scale as a trusted provider of technology-driven policing solutions,” said Nasim Golzadeh, EVP, Investigative Solutions of SoundThinking. “We take great pride in our role in developing innovative tools that empower NYPD and contribute to the safety and well-being of New Yorkers.”

About SoundThinking
