Wyndham Offers New Tools for Professional and Occasional Group Travel Planners

With new search and RFP features, Wyndham caters to small and mid-size groups and meetings; Offers limited-time discount of 10% off qualifying revenue on master bill, now through March 31

PARSIPPANY, N.J., Feb. 27, 2020 /PRNewswire/ -- Wyndham Hotels & Resorts - the world's largest hotel franchising company with approximately 9,300 hotels in approximately 90 countries - is making planning group travel easier than ever by partnering with Cvent to develop wyndhamhotels.com/meetings, a dynamic site featuring innovative search capabilities designed to make the RFP process seamless for occasional planners and event organizers.

For more experienced planners, Wyndham worked with Cvent to create innovative, customized, location-based [microsites](#) within the Cvent Supplier Network, the world's largest venue sourcing database used by more than 100,000 actively sourcing meeting professionals. Professional planners who have their eye on specific destinations can now search by region for Wyndham's hotels in the U.S. and Canada; Latin America; Europe, Middle East and Africa; and South East Asia. Wyndham also offers third-party planners booking on behalf of other organizations a generous 10% commission on actualized booking revenue.

To celebrate, Wyndham is offering planners the opportunity to save 10% off qualifying revenue on their master bill for group bookings of 20 rooms or more booked by March 31 (for stays completed by December 31, 2020) at participating locations. Planners simply submit an RFP on wyndhamhotels.com/meetings and reference "MP2020" in the contract. Full terms and conditions are available at wyndhamhotels.com/meetings.

"Many of us become travel planners at some point, whether we're scheduling a business meeting, planning a social event, or booking a room block for a tournament. For both experienced professional planners and occasional event organizers, finding the right hotel is all about simplicity, speed and options," said Carol Lynch, Wyndham's senior vice president, global sales. "That's exactly what we aim to deliver with these new tools: give planners a seamless search experience across 9,300 hotels and 15 million square feet of meeting and event space worldwide to help curate the perfect gathering – whether you're planning your first meeting or your fiftieth."

[Wyndhamhotels.com/meetings](https://wyndhamhotels.com/meetings) now allows planners to intuitively filter by location, capacity, amenities and more, empowering them to send RFPs and request a complete proposal back from multiple hotels. It also thoughtfully features Wyndham's full portfolio of both full and

select-service hotel brands for planners to explore, whether planning a corporate meeting at Dolce by Wyndham's [Silverado Resort and Spa](#), a team conference at [Wyndham Grand Rio Mar Puerto Rico Golf & Beach Resort](#), or a room block for their team's cheer competition at the [La Quinta Inn & Suites by Wyndham Orlando I Drive Theme Parks](#)

For more casual planners who are looking for event-specific support, the site also offers global, occasion-minded collections focused on sports team travel, tour and leisure trips, incentive travel and meetings on a new search page empowering a retail "shopping cart" experience where they can explore multiple Wyndham hotels.
