Twin Vee PowerCats Launching the Redesign of Its Best Selling Line of Bay Boats

FORT PIERCE, FL / ACCESSWIRE / September 30, 2024 /Twin Vee PowerCats Co. (NASDAQ:VEEE),("Twin Vee" or the "Company"), a manufacturer, distributor, and marketer of power sport boats, today announced plans to launch a redesigned 22-foot BayCat boat, adding it to the Company's expanding product line. Set to debut in early 2025, Twin Vee's best-selling bay boat is back. The 220 BayCat has been reimagined to provide the best ride in a compact, towable package. Offering the stability and smooth handling that Twin Vees are known for, the 220 BayCat is designed to be ideal for any water adventure.

"The 220 BayCat is the next addition to Twin Vee's new and improved lineup and will come in two varieties: the 220 BayCat GFX2 and the 220 BayCat STX," explains Joseph Visconti, Chairman and CEO of Twin Vee PowerCats Co. "The popularity of recreational boating continues to grow, attracting a wider variety of customers looking for versatile and easy-to-operate boats for fishing or family time. We believe both of our newly redesigned 22-foot BayCats will appeal to those looking for a boat that can navigate tight channels and flats with maneuverability and head offshore on a calm day. The 220 BayCat is a true ‘do-it-all' boat for those looking for a budget-friendly and affordable boat that can still cater to many needs."

Engineered with Twin Vee's signature twin catamaran hull, the 22-foot long BayCat has a seven-foot, nine-inch beam and a sixteen-inch draft. Its compact design makes it easily towable, opening up endless possibilities on waterways across the country. "Powered by a single 140 to 200 horsepower outboard motor, our all-new BayCat features a spacious fishable deck, 25-gallon transom livewell, bow storage, raw water washdown, and ample 36-gallon fuel capacity," remarks Visconti. "And depending on whether you prefer the 220 BayCat GFX2 or the 220 BayCat STX, there are some great options available that will add

even more amenities and value, such as comfortable bow cushion seating, underwater lights, nine-inch multifunction display with advanced sonar capabilities, and T-Top with rod holders, just to name a few."

According to the Company, the 220 BayCat represents a blend of Twin Vee's signature smooth ride and stability with a design meticulously optimized for effortless towing and versatile use. "We're excited to offer a boat that empowers our customers to experience a wide range of water activities in a variety of settings. Whether you're an angler, a family, or an adventure seeker looking for the perfect boat on a budget, we believe the 220 BayCat GFX2 and the 220 BayCat STX will help make every outing on the water unforgettable."
