Forward-Looking Statements

This press release contains certain statements that may include "forward-looking statements". All statements, other than statements of historical facts, included herein are "forward-looking statements." Included among "forward-looking statements" are, among other things, statements regarding the proposed initial public offering of common shares of Holdings, the business of Holdings, the anticipated use of cash expected to be received from Holdings and Cheniere's business strategy, plans and objectives. The ultimate consummation of the offering will depend on, among other things, market conditions and the plans, strategies, objectives and anticipated financial and operational results of Cheniere. Although Cheniere believes that the expectations reflected in these forward-looking statements are reasonable, they do involve assumptions, risks and uncertainties, and these expectations may prove to be incorrect. Cheniere's actual results could differ materially from those anticipated in these forward-looking statements as a result of a variety of factors, including those discussed in Cheniere's periodic reports that are filed with and available from the Securities and Exchange Commission. You should not place undue reliance on these forward-looking statements, which speak only as of the date of this press release. Other than as required under the securities laws, Cheniere does not assume a duty to update these forward-looking statements.
