Rennova Health Postpones Special Meeting of Stockholders to June 2, 2017

WEST PALM BEACH, FL -- (Marketwired) -- 05/25/17 -- **Rennova Health, Inc.** (NASDAQ: RNVA) , (NASDAQ: RNVAZ) ("Rennova" or the "Company"), a vertically integrated provider of industry-leading diagnostics and supportive software solutions to healthcare providers, announces the postponement of its Special Meeting of stockholders that was to have taken place originally on May 19, 2017, and which was subsequently postponed to May 26, 2017. The second postponement is necessary because a quorum of shares represented at the meeting continues not to be achieved. The new date for the Special Meeting is June 2, 2017 at 11:00 a.m. Eastern time and it will take place at the offices of Shutts & Bowen LLP, 525 Okeechobee Boulevard, Suite 1100, West Palm Beach, FL 33401. The record date of April 21, 2017 remains unchanged.

The Special Meeting is for the following purposes:

1. To approve, for the purpose of Nasdaq Listing Rule 5635(d), the issuance of shares of Common Stock underlying Senior Secured Original Issue Discount Convertible Debentures and three series of Warrants issued by the Company pursuant to the terms of that certain Securities Purchase Agreement, dated as of March 15, 2017, and those certain Exchange Agreements, dated as of March 15, 2017, between the Company and the investors named therein, in an amount in excess of 19.99% of the Company's Common Stock outstanding before the issuance of such Senior Secured Original Issue Discount Convertible Debentures and Warrants;
2. To authorize an adjournment of the Special Meeting, if necessary, if a quorum is present, to solicit additional proxies if there are not sufficient votes in favor of Proposal 1; and
3. To transact such other business as may properly come before the Special Meeting or any adjournment or postponement thereof.

"Once again we are moving the date of our Special Meeting back to allow sufficient time for a quorum. I must impress upon our stockholders that there are additional expenses that are incurred when solicitation must be extended -- costs that all stockholders as owners of the Company must bear," commented Seamus Lagan, chief executive officer of Rennova Health. "I note that the votes continue to be in favor of the proposals by a wide margin, and although we are making progress, we are still short of the 50% quorum. I urge our stockholders to exercise their rights and cast their votes."

Stockholders who have already voted do not need to recast their votes. Stockholders who have not yet voted are encouraged to do so.

Stockholders that own their shares in "street name" through a stock brokerage account or through a bank or nominee should consult the broker, bank or nominee about its procedures to vote the shares.
