Ecovyst Completes Term Loan Amendment and Increase

WAYNE, Pa., May 14, 2026 /PRNewswire/ -- Ecovyst Inc. (NYSE: ECVT) ("Ecovyst" or the "Company"), a leading provider of virgin sulfuric acid and regenerated sulfuric acid products and services, today announced that it has completed the syndication of a \$100 million fungible Term Loan B add-on, which it intends to use to finance a portion of its pending acquisition of the Calabrian sulfur dioxide and sulfur derivatives business from INEOS Enterprises. The acquisition and the add-on are anticipated to close by the end of the second quarter of 2026. The add-on was issued at par and is co-terminus with the Company's existing \$397 million Term Loan B, due June 2031, at a floating rate of SOFR plus 2.00 percent per annum.

About Ecovyst

Note on Forward-Looking Statements

Some of the information contained in this press release constitutes "forward-looking statements." Forward-looking statements can be identified by words such as "anticipates," "intends," "plans," "seeks," "believes," "estimates," "expects," "projects," "aims" and similar references to future periods. Forward-looking statements are based on our current expectations and assumptions regarding our business, the economy and other future conditions. Because forward-looking statements relate to the future, they are subject

to inherent uncertainties, risks and changes in circumstances that are difficult to predict. Examples of forward-looking statements include, but are not limited to, statements concerning our pending acquisition of the Calabrian sulfur dioxide and related sulfur derivatives business from INEOS Enterprises, our intention to use a portion of the term loan to finance the acquisition and the timing of the closing of the term loan add-on and acquisition. Our actual results may differ materially from those contemplated by the forward-looking statements. We caution you, therefore, against relying on any of these forward-looking statements. They are neither statements of historical fact nor guarantees or assurances of future performance. Important factors that could cause actual results to differ materially from those in the forward-looking statements include, but are not limited to: our ability to successfully close the term loan financing, the possibility that the conditions to the closing of the INEOS Enterprises transaction or term loan financing are not satisfied; the occurrence of any event, change or other circumstance that could give rise to a right to terminate the transaction with INEOS Enterprises; unexpected costs, liabilities or delays in connection with the INEOS Enterprises transaction and term loan financing; legal proceedings initiated in connection with the INEOS Enterprises transaction; risks related to the integration of the acquired Calabrian sulfur dioxide and related sulfur derivatives business of INEOS Enterprises; regional, national or global political, economic, business, competitive, market and regulatory conditions, including the enactment, schedule and impact of tariffs and trade disputes; currency exchange rates; the effects of inflation; and other factors, including those described in the sections titled "Risk Factors" and "Management's Discussion & Analysis of Financial Condition and Results of Operations" in our filings with the SEC, which are available on the SEC's website at www.sec.gov. These forward-looking statements speak only as of the date of this release. Factors or events that could cause our actual results to differ may emerge from time to time, and it is not possible for us to predict all of them. We undertake no obligation to update any forward-looking statement, whether as a result of new information, future developments or otherwise, except as may be required by applicable law.
