TORONTO and GLIL YAM, Israel, Nov. 12, 2019 /CNW/ - IM Cannabis Corp. (the "Company" or "IMC") (CSE:IMCC), one of the world's pioneering medical cannabis companies with operations across Europe, is pleased to announce that it will be presenting at the PI Financial Cannabis Conference in London, England on November 18, 2019.

Oren Shuster, Chief Executive Officer, will be presenting to investors and will also be available for one on one meetings during the conference.

About IM Cannabis Corp.

IMC is an international medical cannabis company, and a well-known Israeli brand of medical cannabis products. In Europe, IMC is establishing a fully operational, vertically integrated medical cannabis business spearheaded by its distribution arm in Germany and augmented by strategic agreements with certified EU-GMP Standard suppliers, making it one of the only medical cannabis companies with fully integrated operations in Europe. IMC intends to leverage IMC's brand to establish a foothold in emerging medical cannabis markets including Germany, Portugal and Greece. IMC's core Israeli business includes offering branding, know-how and other intellectual property-related services to the Israeli medical cannabis market. Its key assets in Israel include commercial agreements with licensed producers and an option to purchase licensed entities. IMC has developed proprietary processes in its operations and is active in developing innovative technology for global medical cannabis consumers.
