(1)For each \$1,000 principal amount of Existing AK Steel Notes accepted for exchange.

In order to receive the Consent Payment, Eligible Holders (as defined herein) of Existing AK Steel Notes must, at or prior to the Early (2)Participation Date (as defined below), validly deliver (or be deemed to so deliver) and not validly revoke consents.

Cliffs and AK Steel Corporation are making the Exchange Offers and Consent Solicitations pursuant to the terms of and subject to the conditions set forth in the offering memorandum and consent solicitation statement dated January 14, 2020 (the "Offering Memorandum and Consent Solicitation Statement").

For each \$1,000 principal amount of Existing AK Steel Notes validly tendered prior to 12:01 a.m., New York City time, on February 12, 2020 (the "Expiration Date") and not validly withdrawn, Eligible Holders of Existing AK Steel Notes will be eligible to receive the applicable exchange consideration set out in the table above (the "Exchange Consideration"). Existing AK Steel Notes that have been validly tendered may be withdrawn at any time prior to the Expiration Date. However, to be eligible to receive the Exchange

Consideration, such withdrawn Existing AK Steel Notes must be validly re-tendered and not validly withdrawn prior to the Expiration Date. Any Eligible Holder of Existing AK Steel Notes that validly delivers (or is deemed to have validly delivered) a consent at or prior to 5:00 p.m., New York City time, on January 28, 2020, unless extended, and does not validly revoke such consent at or prior to the Consent Revocation Deadline (as defined in the Offering Memorandum and Consent Solicitation Statement), will be entitled to receive the applicable Consent Payment set out in the table above (the "Consent Payment"). The settlement date is expected to be two business days after the Expiration Date. Cliffs and AK Steel Corporation currently expect that the Expiration Date will be extended to coincide with the date of the consummation of the Merger (defined below).

The New Cliffs Notes will be guaranteed on a senior unsecured basis by its material direct and indirect wholly owned domestic subsidiaries, including AK Steel, AK Steel Corporation and its subsidiaries that guarantee the Existing AK Steel Notes. The Exchange Offers are expected to result in reduced liquidity for the Existing AK Steel Notes and, if adopted, the Proposed Amendments will remove the restrictive covenants and some other terms of the Existing AK Steel Notes and will afford reduced protection to holders of those securities. Further, neither Cliffs nor its current subsidiaries will have any obligation, contingent or otherwise, to pay amounts due under the Existing AK Steel Notes or to make any funds available to pay those amounts, whether by dividend, distribution, loan or other payments. Following the consummation of the Merger, however, AK Steel Corporation will be a subsidiary of Cliffs and will continue to have an obligation to pay amounts due under the Existing AK Steel Notes.

The Exchange Offers and Consent Solicitations are conditioned upon the consummation of the pending acquisition of AK Steel by Cliffs pursuant to the Agreement and Plan of Merger, dated as of December 2, 2019 (as it may be amended, the "Merger Agreement"), by and among Cliffs, AK Steel and Pepper Merger Sub Inc., a direct wholly owned subsidiary of Cliffs ("Merger Sub"), which condition cannot be waived. Subject to the terms and conditions of the Merger Agreement, Merger Sub will merge with and into AK Steel (the "Merger") with AK Steel surviving the Merger as a wholly owned subsidiary of Cliffs. Additionally, each Exchange Offer and Consent Solicitation is conditioned upon the completion of the other Exchange Offer and Consent Solicitation, although Cliffs may waive such condition at any time with respect to either Exchange Offer. AK Steel Corporation has agreed that any waiver of such condition by Cliffs with respect to either Exchange Offer will automatically waive such condition with respect to the corresponding Consent Solicitation, as applicable. The consummation of the Merger is not conditioned upon the successful closing of any Exchange Offer or Consent Solicitation.

The Offering Memorandum and Consent Solicitation Statement and other documents relating to the Exchange Offers and Consent Solicitations will only be distributed to Eligible Holders of Existing AK Steel Notes who complete and return an eligibility form confirming that they are either (a) a "Qualified Institutional Buyer" as that term is defined in Rule 144A under the Securities Act of 1933, as amended, or (b) a person that is outside the "United States" and is (i) not a "U.S. person," as those terms are defined in Rule 902 under the Securities Act of 1933, as amended, and (ii) a "non-U.S. qualified offeree" (as defined in the Offering Memorandum and Consent Solicitation Statement) (such holders, the "Eligible Holders").
