# Pure Cycle Corporation Announces Q3 Fiscal 2008 Financial Results

THORNTON, CO -- (MARKET WIRE) -- 07/08/08 -- Pure Cycle Corporation (NASDAQ: PCYO) announced financial results today for the nine months ended May 31, 2008.

Pure Cycle is reporting net losses of approximately \$5.3 million (\$.26 per share) and \$5.2 million (\$.28 per share), for the nine months ended May 31, 2008 and 2007, respectively. The main components of our losses are items that do not currently require the use of cash, and are comprised of the following:

	Nine Months Ended:	
	May 31, 2008	May 31, 2007
Imputed expenses or non-cash expenses:		
Imputed Interest on the Tap Participation Fee	\$ 3,255,000	\$ 3,463,500
Loss on extinguishment of contingent obligations	273,700	-
Depreciation and depletion	286,200	274,000
Stock based compensation expense	263,800	223,900
Total imputed and non-cash expenses	\$ 4,078,700	\$ 3,961,400

These items are explained in greater detail in our Form 10-K for the year ended August 31, 2007 and further in our Form 10-Q for the three and nine months ended May 31, 2008, to be filed with the SEC on July 10, 2008. In addition to the above items, for the nine months ended May 31, 2008 and 2007, respectively, we also incurred approximately \$190,200 and \$24,200 of consulting fees related to the ongoing discussions with the Land Board and Lend Lease over water and wastewater service agreements for the proposed development at the Lowry Range. Excluding the cash paid for consulting and the expenses described above, our net losses for the nine months ended May 31, 2008 and 2007 would have been:

	Nine Months Ended:			
	May 31, 2008	May 31, 2007	\$ Change	% Change
Net losses as reported	\$ (5,273,000)	\$ (5,157,400)	\$ 115,600	2%
Imputed and non-cash expenses described above	4,078,700	3,961,400		
Consulting fees	190,200	24,200		
As adjusted net losses	\$ (1,004,100)	\$ (1,171,800)	\$ (167,700)	-14%

The as adjusted net losses for the current year decreased because (i) we did not incur in the current year the professional fees we incurred last year arising out of SEC consultations and

(ii) we have eliminated franchise fees paid to the State of Delaware as a result of our reincorporation in Colorado.

We will host a conference call to discuss the results on Friday, July 11, 2008 at 2 pm Mountain. The call will be hosted by our President, Mark W. Harding. Call details are presented below.
