# Equinix Board of Directors Approves REIT Conversion

REDWOOD CITY, Calif., Dec. 23, 2014 /PRNewswire/ -- [Equinix, Inc.](#) (Nasdaq: EQIX), the global interconnection and [data center company](#), today announced that its board of directors ("Board") unanimously approved Equinix's conversion to a real estate investment trust ("REIT") for federal income tax purposes effective for its taxable year commencing January 1, 2015. As such, Equinix will move forward with its conversion plan and will begin its first day as a REIT on January 1, 2015.

As previously announced, as part of its REIT conversion plan, Equinix is seeking a private letter ruling ("PLR") from the U.S. Internal Revenue Service ("IRS") related to numerous technical tax issues. Equinix has not received its PLR from the IRS, but, based on existing legal precedent, opinions of counsel and the fact that many other data center companies currently operate as REITs, Equinix believes that it will qualify for taxation as a REIT and that it will receive a favorable PLR, if not by the end of the year, then early in 2015.

"We are excited to announce the Board's approval of Equinix's REIT conversion effective January 1, 2015," said Steve Smith, president and CEO of Equinix. "We are pleased with our current business momentum, and the REIT structure positions us well to continue to deliver profitable global growth, while providing world-class facilities and services to our customers through Platform Equinix."
