Equinix Announces Proposed Public Offering of \$1,250,000,000 of Common Stock

REDWOOD CITY, Calif., May 11, 2020 /PRNewswire/ -- Equinix, Inc. (Nasdaq: EQIX), the global interconnection and data center company, today announced that it commenced a public offering of \$1,250.0 million of its common stock. All shares of common stock to be sold in the offering will be offered by Equinix. In addition, Equinix intends to grant the underwriters a 30-day option to purchase up to an additional \$187.5 million of shares of its common stock. The offering is subject to market conditions, and there can be no assurance as to whether or when the offering may be completed, or as to the actual size or terms of the offering.

Equinix is currently in advanced discussions with a seller to acquire selected data center sites and their operations (the "Potential Acquisition"). If Equinix completes the Potential Acquisition, it intends to use a portion of the net proceeds of the offering to fund the cost of the Potential Acquisition, and the remainder for general corporate purposes, which could include repayment of indebtedness, capital expenditures and working capital. The completion of the offering is not contingent upon the completion of the Potential Acquisition. If the Potential Acquisition is not completed, then Equinix intends to use all of the net proceeds for general corporate purposes.

Morgan Stanley, Goldman Sachs & Co. LLC, BofA Securities, Citigroup and J.P. Morgan are acting as joint book-running managers and representatives of the underwriters for the offering.

The shares described above are being offered by Equinix only pursuant to an effective registration statement, including a preliminary prospectus supplement and accompanying prospectus. The preliminary prospectus supplement and accompanying prospectus relating to the offering have been filed with the SEC and are available on the SEC's website located at <http://www.sec.gov>. Before you invest, you should read the registration statement (including the preliminary prospectus supplement for the offering and accompanying prospectus) for more complete information about Equinix and the offering.
