Geoff DeMartino Named Senior Vice President, Global Corporate Development at Thermon Group Holdings, Inc.

SAN MARCOS, TX -- (Marketwired) -- 08/19/13 -- Thermon Group Holdings, Inc. (NYSE: THR) ("Thermon" or the "Company") today announced the appointment of Geoffrey DeMartino as Senior Vice President, Global Corporate Development. He will be responsible for coordinating the Company's strategic planning process as well as identifying, analyzing and recommending both organic growth opportunities and external opportunities for mergers, acquisitions and joint ventures. Mr. DeMartino will report to Rodney Bingham, President and Chief Executive Officer.

Prior to joining Thermon, Mr. DeMartino was a Senior Vice President with Moelis & Company LLC in Chicago, Illinois. He began his career in 1999 as an Analyst with Bear, Stearns & Co. Inc. He holds a Bachelor of Arts degree from Northwestern University.

About Thermon

Through its global network, Thermon provides highly engineered thermal solutions, known as heat tracing, for process industries, including energy, chemical processing and power generation. Thermon's products provide an external heat source to pipes, vessels and instruments for the purposes of freeze protection, temperature maintenance, environmental monitoring and surface snow and ice melting. Thermon is headquartered in San Marcos, Texas. For more information, please visit www.thermon.com.
