Transaction Information

Burger Construction, a San Diego-based general contractor, has merged with HBC, an employee-owned general contractor serving Southern California.

The mutually beneficial merger will offer expanded benefits, resources, and additional layers of support to Burger Construction, while Burger's foothold in the San Diego market will open new opportunities and a greater market presence for HBC. Now, by joining forces with HBC's strong presence in Los Angeles County and Orange County, the combined company will expand its reach, providing comprehensive coverage across Southern California.

Terms of the transaction were not disclosed; however, a press release with more information was issued by HBC and can be accessed [here on their website](#).

Roth Capital Partners acted as exclusive financial advisor to Burger Construction on the transaction.

About Burger Construction

Burger Construction is a San Diego-based commercial construction company specializing in tenant improvements. Established in 1992, the company has built a strong reputation for quality and service, with over 90% of its business coming from referrals and repeat clients. Burger Construction provides general contracting, design-build, and construction management services tailored to clients' needs across industries like healthcare, legal, life sciences, and technology. With a team of over 50 professionals, Burger Construction continues to deliver best-in-class solutions for San Diego's commercial landscape.
