Forward-Looking Statements

This press release includes "forward looking statements" within the meaning of the "safe harbor" provisions of the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements may be identified by the use of words such as "forecast", "estimate", "project", "intend", "expect", "should", "believe" and other similar expressions that predict or indicate future events or trends or that are not statements of historical matters. These forward looking statements include any statements regarding the Company's strategic and operational plans. Forward looking statements should not be read as a guarantee of future performance or results, and will not necessarily be accurate indications of the times at, or by, which such performance or results will be achieved.

Forward looking statements are based on information available at the time those statements

are made and/or management's good faith belief as of that time with respect to future events, and are subject to risks and uncertainties that could cause actual performance or results to differ materially from those expressed in or suggested by the forward looking statements. For a detailed discussion of these risks and uncertainties, see the section entitled "Risk Factors" in our Annual Report on Form 10-K filed with the Securities and Exchange Commission on March 4, 2014. The Company does not intend, and undertakes no duty, to update this information to reflect future events or circumstances, except as required by applicable law.
