Cummins Inc. Increases Quarterly Common Stock Dividend

COLUMBUS, Ind.--(BUSINESS WIRE)-- The Board of Directors of Cummins Inc. (NYSE: CMI) today approved an increase in the company's quarterly cash dividend on common stock from 1.025 dollars per share, to 1.08 dollars per share, payable on September 1, 2017, to shareholders of record on August 18, 2017.

"The increase in our dividend reinforces our commitment to increasing returns to shareholders and reflects our confidence in our performance over the long term," said Tom Linebarger, Chairman and Chief Executive Officer. "We will continue to produce strong returns by executing our growth strategy, investing in the future and providing outstanding products and support for our customers."

About Cummins

Cummins Inc., a global power leader, is a corporation of complementary business segments that design, manufacture, distribute and service diesel and natural gas engines and related technologies, including fuel systems, controls, air handling, filtration, emission solutions and electrical power generation systems. Headquartered in Columbus, Indiana, (USA) Cummins currently employs approximately 55,400 people worldwide and serves customers in approximately 190 countries and territories through a network of approximately 600 company-owned and independent distributor locations and approximately 7,400 dealer locations. Cummins earned \$1.39 billion on sales of \$17.5 billion in 2016. Press releases can be found on the Web at www.cummins.com. Forward-looking disclosure statement

Information provided in this release that is not purely historical are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, including statements regarding our forecasts, guidance, preliminary results, expectations, hopes, beliefs and intentions on strategies regarding the future. These forward looking statements include, without limitation, statements relating to our plans and expectations for our revenues for the full year of 2017. Our actual future results could differ materially from those projected in such forward-looking statements because of a number of factors, including, but not limited to: the adoption and implementation of global emission standards;

the price and availability of energy; the pace of infrastructure development; increasing global competition among our customers; general economic, business and financing conditions; governmental action; changes in our customers' business strategies; competitor pricing activity; expense volatility; labor relations; and other risks detailed from time to time in our Securities and Exchange Commission filings, including particularly in the Risk Factors section of our 2016 Annual Report on Form 10-K. Shareholders, potential investors and other readers are urged to consider these factors carefully in evaluating the forward-looking statements and are cautioned not to place undue reliance on such forward-looking statements. The forward-looking statements made herein are made only as of the date of this press release and we undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise. More detailed information about factors that may affect our performance may be found in our filings with the Securities and Exchange Commission, which are available at <http://www.sec.gov> or at <http://www.cummins.com> in the Investor Relations section of our website.
