Forward-Looking Statements

This press release may contain forward-looking statements that are within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These statements include, but are not limited to, discussions related to Apollo's expectations regarding the performance of its business, liquidity and capital resources and the other non-historical statements. These forward-looking statements are based on management's beliefs, as well as assumptions made by, and information currently available to, management. When used in this press release, the words "believe," "anticipate," "estimate," "expect," "intend," "will," "should," "could," or "may," and similar expressions are intended to identify forward-looking statements. Although management believes that the expectations reflected in these forward-looking statements are reasonable, it can give no assurance that these expectations will prove to be correct. These statements are subject to certain risks, uncertainties and assumptions, including but not limited to those described under the section entitled "Risk Factors" in Apollo's Quarterly Report on Form 10-Q filed with the United States Securities and Exchange Commission ("SEC") on May 10, 2022, as such factors may be updated from time to time in Apollo's periodic filings with the SEC, which are accessible on the SEC's website at www.sec.gov.

These factors should not be construed as exhaustive and should be read in conjunction with the other cautionary statements that are included in Apollo's filings with the SEC. Apollo undertakes no obligation to publicly update or review any forward-looking statements, whether as a result of new information, future developments or otherwise, except as required by applicable law. This press release does not constitute an offer of any Apollo fund.
