

LM Funding Reports Second Quarter 2018 Financial Results and Class Action Settlement

TAMPA, Fla., Aug. 14, 2018 (GLOBE NEWSWIRE) -- **LM Funding America, Inc.** (NASDAQ: LMFA) ("LM Funding" or the "Company"), a technology-based specialty finance company offering unique funding solutions to community associations, today announced its financial results for the second quarter ended June 30, 2018.

"During the second quarter, we continued to see positive results from the steps we have taken to maximize our rental revenue and improve our cost structure," said Bruce Rodgers, LM Funding's Chief Executive Officer. "We reduced operating expenses by approximately 55% and entered into a revised settlement for the Solaris class action litigation resulting in a reversal of over \$400,000 in accrued expenses which led to positive net income during the quarter and first six months as compared to a net loss for the same periods the prior year. Going forward, we will continue to leverage our proprietary technology to unlock the significant value of our receivables portfolio as we focus our marketing efforts to grow our portfolio and explore new avenues to diversify our revenue streams."

Second Quarter 2018 Financial and Operational Highlights:

- Operating revenues totaled \$877,986 for the second quarter of 2018 as compared to \$977,600 for the same period the year prior;
- Rental revenue, which accounted for 24.8% of total operating revenue during the quarter, increased 28% to \$217,904 as compared to \$170,283 for the same period the year prior;
- Operating expenses decreased by 54.5% to \$733,170 as compared to \$1.6 million in the prior year period driven by a significant reduction in staff costs and payroll, professional fees, and SG&A expenses;
- Generated net income of \$455,240 as compared to a net loss of \$794,511 for the second quarter 2017;
- During the second quarter 2018, decreased the \$505,000 Solaris class action accrual incurred in the comparable 2017 period, to \$100,000 due to a revised settlement with the \$405,000 change reflected as income;
- As of June 30, 2018, the Company had \$1.2 million in cash; and
- Shareholder equity increased to \$1.5 million or \$0.24 per share as of June 30, 2018, compared to shareholder equity of \$896,983 or \$0.14 per share as of December 31, 2017.

On August 14, 2018, the Solaris court approved a revised settlement of the Solaris class action litigation. The settlement approves the Plaintiff's Fourth Amended Complaint seeking no damages and providing only a claim for declarative and injunctive relief. Plaintiffs with existing active units being serviced by LM Funding may opt to change from the standard

distribution agreement to LMF's 50/50 distribution agreement on a prospective basis. In the settlement Agreement LM Funding will pay Plaintiff's counsel \$99,000 plus an administrative fee.

Second Quarter and Six-Month Financial Results:

For the quarter ended June 30, 2018, total operating revenues were \$877,986, compared to \$977,600 in the second quarter of 2017. This includes an approximate \$48,000 increase in rental revenue to \$217,904, compared to \$170,283 for the quarter ended June 30, 2017, due to continued improvement in the utilization of the Company's rental properties. Operating expenses for the second quarter of 2018 decreased 54.5% to \$733,170, compared to \$1.6 million in the prior year period. This is primarily attributable to approximately \$197,000 in reduced staffing costs, \$471,000 in lower professional fees (including a \$200,00 insurance reimbursement for legal fees in 2018) and a \$128,000 decline in selling, general and administrative costs as compared to the comparable period in 2017.
