Inpixon Announces Purchase Order From Leading Health Insurer

Providing Infrastructure Platform to Reduce Costs and Help Scale Growing IT Demands

PALO ALTO, Calif.--(BUSINESS WIRE)-- [Inpixon](https://inpixon.com) (NASDAQ: INPX), a leading indoor positioning and data analytics company, announced today it received a purchase order of approximately \$2.5 million from a leading Fortune 500 health insurer. Inpixon will design and deploy a highly modernized infrastructure platform for the customer's core commercial claims processing application.

Under this project, Inpixon will develop a highly flexible and scalable data center platform that will reduce costs and better respond to the customer's growing information technology needs. Inpixon's solution will also help migrate business data from a co-located data center to the customer's own newly expanded data center.

"Businesses across industries are finding value from Inpixon's solutions. This is one example of how we are delivering on the promise of our technology solution in a variety of vertical sectors," said Nadir Ali, CEO of Inpixon.
