# Wrap Technologies Enters South Dakota - BolaWrap(R) Purchased by Sanborn County Sheriff's Department

**TEMPE, AZ / ACCESSWIRE / June 12, 2020 / Wrap Technologies, Inc. (the "Company" or "Wrap") (NASDAQ:WRTC)**, an innovator of modern policing solutions, reported Sanborn County Sheriff's Department is the first agency in the state of South Dakota to purchase the BolaWrap remote restraint device. Currently, more than 150 law enforcement agencies across 37 states in the US are carrying BolaWrap devices.

"The BolaWrap is a tool that will assist law enforcement in doing their jobs smarter and safer," said Sheriff Tom Fridley of Sanborn County Sheriff's Department. "It will help us end a situation peacefully without having to use a higher level of force that may hurt someone."

Mike Rothans, Chief Operating Officer of Wrap technologies added, "We are excited to see agencies in new states adopt the BolaWrap onto their duty belt. With states opening we are seeing increased sales and training activity and I believe other cities and counties will follow Sheriff Fridley's leadership in working toward a safer end to police encounters."

## About Wrap Technologies (Nasdaq:WRTC)

Wrap Technologies is an innovator of modern policing solutions. The Company's BolaWrap 100 product is a patented, hand-held remote restraint device that discharges an eight-foot bola style Kevlar® tether to restrain an individual at a range of 10-25 feet. Developed by award winning inventor Elwood Norris, the Company's Chief Technology Officer, the small but powerful BolaWrap 100 assists law enforcement to safely and effectively control encounters, especially those involving an individual experiencing a mental crisis. **Trademark Information:** BolaWrap and Wrap are trademarks of Wrap Technologies, Inc. All other trade names used herein are either trademarks or registered trademarks of the respective holders.

## Cautionary Note on Forward-Looking Statements - Safe Harbor Statement

This press release contains "forward-looking statements" within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995, including but not limited to statements regarding the Company's overall business, total addressable market and expectations regarding future sales and expenses. Words such as "expect," "anticipate," "should," "believe," "target," "project," "goals," "estimate," "potential," "predict," "may," "will," "could," "intend," variations of these terms or the negative of these terms and similar expressions are intended to identify these forward-looking statements. Forward-looking statements are subject to a number of risks and uncertainties, many of which involve factors

or circumstances that are beyond the Company's control. The Company's actual results could differ materially from those stated or implied in forward-looking statements due to a number of factors, including but not limited to: the Company's ability to successfully implement training programs for the use of its products; the Company's ability to manufacture and produce product for its customers; the Company's ability to develop sales for its new product solution; the acceptance of existing and future products; the availability of funding to continue to finance operations; the complexity, expense and time associated with sales to law enforcement and government entities; the lengthy evaluation and sales cycle for the Company's product solution; product defects; litigation risks from alleged product-related injuries; risks of government regulations; the business impact of health crises or outbreaks of disease, such as epidemics or pandemics; the ability to obtain export licenses for countries outside of the US; the ability to obtain patents and defend IP against competitors; the impact of competitive products and solutions; and the Company's ability to maintain and enhance its brand, as well as other risk factors included in the Company's most recent annual report on Form 10-K, quarterly report on Form 10-Q and other SEC filings. These forward-looking statements are made as of the date of this press release and were based on current expectations, estimates, forecasts and projections as well as the beliefs and assumptions of management. Except as required by law, the Company undertakes no duty or obligation to update any forward-looking statements contained in this release as a result of new information, future events or changes in its expectations.
