# Grey Matters Improves Warrant Terms of Private Placement

*NOT FOR DISTRIBUTION TO U.S. NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES*

VANCOUVER, British Columbia, May 25, 2026 (GLOBE NEWSWIRE) -- Grey Matters Health Inc. (the “**Company**” or “**Grey Matters**”) (CSE: GREY) (FRANKFURT: AGW0) (OTCQB: AGNPF), a Canadian healthcare company, is pleased to announce that it has amended the warrant terms of its recently announced non-brokered private placement, removing the acceleration feature and extending the warrant exercise period to 3 years. All other terms remain unchanged.

## Summary of Amended Offering Terms

The Company recently announced a non-brokered private placement for gross proceeds of CAD \$1,000,000 of units at an issue price of CAD \$0.40 per Unit. Each Unit will consist of one Class A common share in the capital of the Company (a “**Common Share**”) and one Common Share purchase warrant (a “**Warrant**”). Each Warrant will entitle the holder to acquire one Common Share (a “**Warrant Share**”) at an exercise price of CAD \$0.60 (the “**Exercise Price**”) per Warrant Share for a period of 36 months from the issuance date (the “**Expiry Date**”).

The Company will use the proceeds of the Offering to advance its Alzheimer’s Disease program towards the opening of its first U.S. brain-specific neuroimaging clinic, general and administrative expenses, and for working capital purposes.

The securities issued and issuable, described in this news release, will be subject to a statutory hold period of four months plus a day from the date of issuance in accordance with applicable Canadian securities legislation.

The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the “**U.S. Securities Act**”), or any state securities laws, and may not be offered or sold within the United States or to, or for the account or benefit of, “U.S. persons” (as such term is defined in Regulation S under the U.S. Securities Act) absent registration under the U.S. Securities Act and applicable state securities laws, or an exemption from such registration.

## About Grey Matters

Grey Matters is a Canadian healthcare company focused on the provision of brain specific PET scanning services through a planned network of new neuroimaging clinics in the U.S. for the early-stage detection of Alzheimer's Disease, and other forms of dementia, as well as epilepsy, neuro-oncology, and movement disorders including Parkinson's disease. Grey Matters has a program for Repirinast, a repurposed drug for CKD, and is also the parent company of Algernon NeuroScience, a wholly owned subsidiary, that has been advancing a psychedelic program investigating a proprietary form of DMT for stroke and traumatic brain injury recovery. The Company's chronic cough drug Ifenprodil, which works by stopping cough in the brain, was sold for USD \$2M cash and a 20% equity position in Seyltx, a private U.S. based drug development company that continues to advance research on the drug.
