

## Company Overview

At GrowGeneration, we aim to be the best in **Selection, Service, & Solutions**. Currently we are the largest hydroponics supplier in the country with 60 retail and distribution centers. We carry and sell thousands of products, such as organic nutrients and soils, advanced lighting technology and state of the art hydroponics equipment used by commercial and home growers. We have strategic partnerships with the biggest brand names in the industry, and offer a **direct to farm delivery** service along with **equipment financing**. Our Commercial Team is armed with industry leading professional consultants that are here to help fully manage any size project. Each Commercial Account has a dedicated **Account Manager, Customer Service Representative, and Quoting Specialist** appointed to your company. The Commercial Team offers a **one-stop shop for all your supply needs from seed to harvest**, including turnkey facility designs, cultivation room designs, and on-site project consultations. Along with superior service capabilities, the Commercial Team is here to increase yields, lower production costs, and generally increase the productivity of any cultivation facility. Our website, [GrowGeneration.com](http://GrowGeneration.com), operates as an **Omni-Channel Ecommerce platform** with 10,000+ products with available shipping around the country, along with a customer service team available to answer any questions and help make your grow operate as efficiently as possible.
