# Mynd.ai Completes the Acquisition of Award-Winning AI Voice and Remote Control Technology

SEATTLE, Sept. 9, 2025 /PRNewswire/ -- Mynd.ai, Inc. ("Mynd" or the "Company") (NYSE American: MYND) today announced that it finalized the strategic acquisition of Merlyn Mind, Inc. software solutions, patents, trademarks, know-how and other intellectual property and other assets related to an award-winning AI voice and remote-control technology. This solution enables seamless voice and remote control of PCs and Macs and integrates effortlessly with any front-of-class display, empowering educators with greater mobility, flexibility, and control in the classroom.

"By adapting and integrating this innovative technology into our Promethean ActivSuite® and Explain Everything® platforms, we're unlocking new possibilities for AI-driven classroom experiences. This advancement will help our customers save time, gain deeper insights, and engage with content in more intuitive and impactful ways," stated Lance Solomon, Mynd's Chief Product Officer.

The acquisition reinforces Mynd.ai's commitment to delivering innovative solutions that support educators and learners worldwide and positions the Company at the forefront of AI-powered education technology.
