Intellinetics to Participate at the Ohio Association of County Boards 40th Annual Convention

Enabling I/DD providers to digitally transform mission-critical documents and processes.

COLUMBUS, Ohio--(BUSINESS WIRE)-- Intellinetics, Inc. ([NYSE American: INLX](#)), a digital transformation solutions provider, is proud to announce it is showcasing its IntelliCloud™ content management platform and document scanning services at the Ohio Association of County Boards (OACB) 40th Annual Convention taking place at the Hilton Columbus at Easton in Columbus, OH from Nov. 29 - Dec. 1, 2023.

The company's industry specialists will be presenting its solutions specifically designed for Ohio's county boards of developmental disabilities to improve service level delivery while decreasing costs and risks. Intellinetics document scanning services when combined with IntelliCloud content management platform creates an integrated, easy-to-deploy solution for Intellectual and Developmental Disabilities (I/DD) service providers to digitally transform their mission-critical documents and processes. IntelliCloud's AuditShield™ is a powerful compliance engine that can identify missing documents instantly, before the auditors arrive, making audit-readiness a breeze.

OACB's Annual Conference is the premier professional development and networking event for professionals from Ohio's eighty-eight county boards of developmental disabilities and is a driving force for dynamic and effective service delivery for people with intellectual and developmental disabilities. The theme for OACB's 40th Annual Convention is looking forward to the future by bringing fresh perspectives and innovative solutions to boost productivity, embrace new technologies, and harness the power of AI.

"We're excited to again be exhibiting at OACB and connect with Ohio's county boards of developmental disabilities to continue to strengthen our relationships in the human services provider market," stated [James F. DeSocio](#), President & CEO of Intellinetics. "Our solutions enable better outcomes, create more time to serve, and remove compliance headaches with world-class document security."
