## Wrap Technologies to Present at the Inflection Partners “Excellence in Execution” Conference on November 17

TEMPE, Ariz., Nov. 15, 2021 (GLOBE NEWSWIRE) -- Wrap Technologies, Inc. (Nasdaq: WRAP) (the “Company”), a global leader in innovative public safety technologies and services, today announced that its President and CEO, Tom Smith, and VP of Investor Relations, Paul Manley, will be presenting at the Inflection Partners Fall Investment Conference titled, “Excellence in Execution.”

The Inflection Partners Fall Conference will take place virtually on November 16-17, 2021. Smith is scheduled to present at 2:15 pm ET on November 17.

To register please visit: [inflectionpartnersllc.com/fallconference](https://inflectionpartnersllc.com/fallconference)

- WRAP management will also be available for one-on-one meetings throughout the conference. To schedule a one-on-one meeting, please contact Paul Manley at [pmanley@wrap.com](mailto:pmanley@wrap.com) or at (612) 834-1804.

This event will feature more than 25 companies, ranging from disruptive seed stage startups to \$1bn+ market cap public companies. This year’s conference supports the Travis Manion Foundation (TSF), which strives to unite and strengthen communities by training, developing, and highlighting the role models that lead them. Travis Manion was an experienced and decorated Marine who was killed in action on April 29, 2007, in Iraq. The TSF develops programs, training opportunities, and events designed to empower veterans and families of the fallen while inspiring them to pass their values on to the next generation and the community at large. ### About WRAP

WRAP Technologies (Nasdaq: WRAP) is a global leader in innovative public safety technologies and services. WRAP develops creative solutions to complex issues and empowers public safety officials to protect and serve their communities through its portfolio of advanced technology and training solutions.

WRAP’s BolaWrap® Remote Restraint device is a patented, hand-held pre-escalation and apprehension tool that discharges a Kevlar® tether to temporarily restrain uncooperative suspects and persons in crisis from a distance. Through its many field uses and growing adoption by agencies across the globe, BolaWrap is proving to be an effective tool to help law enforcement safely detain persons without injury or the need to use higher levels of force.

Wrap Reality, the Company’s virtual reality training system, is a fully immersive training simulator and comprehensive public safety training platform providing first responders with

the discipline and practice in methods of de-escalation, conflict resolution, and use-of-force to better perform in the field.

WRAP's headquarters are in Tempe, Arizona. For more information, please visit [wrap.com](http://wrap.com).

**Cautionary Note on Forward-Looking Statements - Safe Harbor Statement**

This press release contains "forward-looking statements" within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995, including but not limited to: statements regarding the Company's overall business; total addressable market; and, expectations regarding future sales and expenses. Words such as "expect", "anticipate", "should", "believe", "target", "project", "goals", "estimate", "potential", "predict", "may", "will", "could", "intend", and variations of these terms or the negative of these terms and similar expressions are intended to identify these forward-looking statements. Moreover, forward-looking statements are subject to a number of risks and uncertainties, many of which involve factors or circumstances that are beyond the Company's control. The Company's actual results could differ materially from those stated or implied in forward-looking statements due to a number of factors, including but not limited to: the Company's ability to successfully implement training programs for the use of its products; the Company's ability to manufacture and produce product for its customers; the Company's ability to develop sales for its new product solution; the acceptance of existing and future products, including the acceptance of the BolaWrap 150; the risk that distributor and customer orders for future deliveries are modified, rescheduled or cancelled in the normal course of business; the availability of funding to continue to finance operations; the complexity, expense and time associated with sales to law enforcement and government entities; the lengthy evaluation and sales cycle for the Company's product solution; product defects; litigation risks from alleged product-related injuries; risks of government regulations; the business impact of health crises or outbreaks of disease, such as epidemics or pandemics; the ability to obtain export licenses for countries outside of the US; the ability to obtain patents and defend IP against competitors; the impact of competitive products and solutions; and the Company's ability to maintain and enhance its brand, as well as other risk factors mentioned in the Company's most recent annual report on Form 10-K, quarterly report on Form 10-Q, and other SEC filings. These forward-looking statements are made as of the date of this press release and were based on current expectations, estimates, forecasts and projections as well as the beliefs and assumptions of management. Except as required by law, the Company undertakes no duty or obligation to update any forward-looking statements contained in this release as a result of new information, future events or changes in its expectations.
