Key Highlights:

Commenting on the quarter, Christina Emery, President, stated, "During the fourth quarter, Barings continued to drive origination flow into quality, 1st lien senior secured middle-market investments. When constructing portfolios, we focus on investing in high-quality businesses that are leaders in their space and offer defensive characteristics that will allow them to perform through economic cycles. The increase in net investment income is a function of both the sound credit quality of the portfolio and rising base rates."

During the three months ended December 31, 2022, the Trust reported total investment income of $8.4 million, net investment income of $5.9 million, or $0.29 per share, and a net increase in net assets resulting from operations of $6.5 million, or $0.32 per share.

Net asset value ("NAV") per share as of December 31, 2022, was $16.37, as compared to $16.59 as of September 30, 2022. The decrease in NAV per share was primarily attributable to net unrealized depreciation on the Trust's investment portfolio of approximately $0.01 per share and the payment of a $0.26 per share dividend on November 18, 2022 and the declaration of a $0.28 per share dividend which was paid on January 20, 2023, partially offset by net realized gains of approximately $0.04 per share.
