

Company Overview

ToughBuilt is an advanced product design, manufacturer and distributor with emphasis on innovative products. Currently focused on tools and other accessories for the professional and do-it-yourself construction industries. We market and distribute various home improvement and construction product lines for both the do-it-yourself and professional markets under the TOUGHBUILT brand name, within the global multibillion dollar per year tool market industry. All of our products are designed by our in-house design team. Since launching product sales in 2013, we have experienced significant annual sales growth. Our current product line includes three major categories, with several additional categories in various stages of development, consisting of Soft Goods & Kneepads and Sawhorses & Work Products. Our mission is to provide products to the building and home improvement communities that are innovative, of superior quality derived in part from enlightened creativity for our end users while enhancing performance, improving well-being and building high brand loyalty.
