ExxonMobil Launches Free App for iPad®

- App houses the latest ExxonMobil news, blog posts, stock price, videos and publications
- Enhanced, interactive version of the Outlook for Energy: A View to 2040 is available
- New content will be added frequently and users will be automatically notified of updates

IRVING, Texas--(BUSINESS WIRE)-- Exxon Mobil Corporation (NYSE:XOM) today launched a free app for iPad that houses the latest ExxonMobil news, blog posts, stock price, videos and publications.

Exxon Mobil Corporation launched a free app for iPad that houses the latest ExxonMobil news, blog posts, stock price, videos and publications. The app also features an enhanced version of ExxonMobil's Outlook for Energy: A View to 2040, which contains ExxonMobil's perspectives on energy supply, demand and technology trends over coming decades. The app also features an enhanced version of ExxonMobil's *Outlook for Energy: A View to 2040*, which contains ExxonMobil's perspectives on energy supply, demand and technology trends over coming decades.

"Tablet devices create unique opportunities for people to engage with our company and learn more about how ExxonMobil provides the energy that helps support global economic and social progress," said Ken Cohen, vice president of public and government affairs at Exxon Mobil Corporation. "The app will create new opportunities for sharing information on the key energy issues facing our nation and the world over coming decades."
