alphaDIRECT Advisors to Host Capstone's SVP Customer Service, Jeff Foster, on July 23, 2018, as part of the alphaDIRECT Investor Virtual Conference Series

VAN NUYS, Calif., July 19, 2018 (GLOBE NEWSWIRE) -- Capstone Turbine Corporation (www.capstoneturbine.com) (NASDAQ:CPST), the world's leading clean technology manufacturer of microturbine energy systems, will be participating in the *alpha*DIRECT Virtual Conference Series on Monday, July 23, 2018, at 12:00 PM EDT.

*alpha*DIRECT Advisors (ADA), a division of EnergyTech Investor, LLC, is a publishing and investor intelligence firm that creates and implements digital content and programs to help investors better understand a company's key drivers, including industry dynamics, technology, strategy, outlook and risks, as well as the impact they could have on the stock price.

Jeff Foster, Capstone's Senior Vice President of Customer Service will present an overview of recent developments within the aftermarket service business followed by a short question and answer session. The presentation will be webcast live and available for replay at www.capstoneturbine.com and under the *alpha*DIRECT Investor Center page at www.alphadirectadvisors.com.

"We are pleased to share with the Capstone stakeholders the progress we have made in the aftermarket service business, especially as it is such a critical element of Capstone's broader strategic goals for long-term, sustainable profitability," said Jeff Foster, Senior Vice President of Customer Service for Capstone.

"The recent adjusted EBITDA positive results would not have been possible at current revenue levels without the growth and profitability of our aftermarket service business which includes comprehensive long-term service agreements, parts and Capstone specific product accessories," stated Darren Jamison, President and Chief Executive Officer of Capstone.

Investors interested in participating in this event must register using the link below. Please note that registration for the live event is limited but may be accessed at any time for replay.
