

### Company Overview

Construction Partners, Inc. (NASDAQ: ROAD) is a vertically integrated civil infrastructure company focused on the rapidly growing southeastern United States. Our strategy is to continue to grow the company using three primary levers: organic growth, acquisitions, and “greenfield” expansions, in which we establish hot-mix asphalt plants in new markets. We are one of the fastest-growing civil contractors in the industry today in an area of the country with strong economic and population growth trends.
