Allego to Participate in dbAccess AutoTech Conference

ARNHEM, Netherlands--(BUSINESS WIRE)-- Allego N.V. ("Allego" or the "Company") (NYSE: ALLG), a leading pan-European public electric vehicle fast and ultrafast charging network, today announced that management would participate in a fireside chat at the dbAccess AutoTech Conference on Tuesday, December 13, 2022 at 11:45 AM EST.

The fireside will be webcast live and can be accessed <https://kvgo.com/deutsche-bank/allego-dec-2022> or in the Events and Publications section at <https://ir.allego.eu>.

About Allego

Allego delivers charging solutions for electric cars, motors, buses, and trucks, for consumers, businesses, and cities. Allego's end-to-end charging solutions make it easier for businesses and cities to deliver the infrastructure drivers need, while the scalability of our solutions makes us the partner of the future. Founded in 2013, Allego is a leader in charging solutions, with an international charging network comprising approximately 34,000 public and private charging ports operational throughout the pan-European market – and proliferating. Our charging solutions are connected to our proprietary platform, EV-Cloud, which gives our customers and us a full portfolio of features and services to meet and exceed market demands. We are committed to providing independent, reliable, and safe charging solutions, agnostic of vehicle model or network affiliation. At Allego, we strive every day to make EV charging easier, more convenient, and more enjoyable for all.
