Allego Announces Leadership Change: Appointment of Steven Salo as Executive Director

ARNHEM, Netherlands – February 24, 2025 – Allego N.V. today announces a leadership transition as part of the company's continued focus on strengthening its operational and financial strategy. As per 24 February 2025 it was decided that Steven Salo shall replace Mathieu Bonnet and is appointed as executive director, effective immediately.

Steven Salo brings extensive experience in financial leadership, strategic planning, and corporate development across various industrial sectors. He joined Allego as Chief Financial Officer in July 2024 and has since been pivotal in guiding the company's financial and operational direction. Prior to joining Allego, he held key leadership roles at Depa plc, Accsys Technologies plc, and Arabtec Holding PJSC, in addition to experience in investment banking, M&A advisory, and strategic financial planning at firms including Citigroup, Dresdner Kleinwort Wasserstein, and PwC.

The Board of Directors of Allego N.V. expresses confidence that Steven Salo's strategic vision and financial expertise will support Allego's long-term growth and mission to accelerate the transition to sustainable mobility.

The company remains committed to delivering innovative and accessible EV charging solutions across Europe while continuing to build a strong and sustainable future.

Further details on this transition will be communicated in due course.

About Allego

Allego is a leading electric vehicle charging solutions provider dedicated to accelerating the transition to electric mobility with 100% renewable energy. Allego has developed a comprehensive portfolio of innovative charging infrastructure and proprietary software, including Allamo and EV Cloud platforms. With a network of 35,000 charging points (and counting) spanning 16 countries, Allego delivers independent, reliable, and safe charging solutions, agnostic of vehicle model or network affiliation. Founded in 2013, Allego employs a team of over 220 people, striving daily to make charging accessible, sustainable, and enjoyable. For more information, please visit www.allego.eu.
