Graphic Packaging Appoints New Board Member Alessandro Maselli

ATLANTA, May 22, 2025 /PRNewswire/ -- Graphic Packaging Holding Company (NYSE: GPK), a global leader in sustainable consumer packaging, today announced that Alessandro Maselli has joined its Board of Directors. Mr. Maselli is currently president and chief executive officer of Catalent Pharma Solutions and a member of its board.

Mr. Maselli has held a range of leadership positions at Catalent over the past fourteen years, progressing from director of operations at a health and personal care plant in Italy, through general manager of operations in the U.K., vice president of operations for drug delivery solutions in Europe, senior vice president of global operations, and president and chief operating officer, before his appointment as president and CEO in 2022.

He previously held leadership roles at Alstom SA, SGS SA, and ABB Group, after beginning his career as an automation systems engineer in the food industry.

Graphic Packaging Chairman of the Board Philip Martens said of the appointment: "Alessandro brings deep commercial and operations experience that is well-aligned with our Vision 2030 innovation and execution priorities. As CEO of a fast-moving, results-driven global health care company, he will add important perspective and insight to the Board."

President and CEO of Graphic Packaging Michael Doss said: "Alessandro's hands-on experience in the global pharmaceutical, health care, and personal care markets will be invaluable as we expand our position in these demanding markets. I look forward to benefiting from his counsel as we leverage our strong European position and our North

American competitive advantages to bring innovative packaging solutions to global and regional market leaders on both continents."
