EVI Industries to Present at the Baird Global Industrial Conference

MIAMI--(BUSINESS WIRE)-- EVI Industries, Inc. (NYSE American: EVI) announced today that Henry M. Nahmad, Chairman and CEO, will present at the Baird Global Industrial Conference being held at The Ritz-Carlton, Chicago on Wednesday, November 11, 2026. Mr. Nahmad is also scheduled to host one-on-one meetings with registered investors on that date. For more information on the conference and to schedule a one-on-one meeting, please contact Baird Conferences at bairdconferences@rwbaird.com.

EVI is a founder-led company building a scaled, multi-division enterprise across the broader laundry industry. The Company operates North America's largest value-added commercial laundry distribution and service business and recently established a consumer garment care services division with Sudsies as its foundational business. Since 2016, EVI has completed 33 acquisitions and grown annual revenue from approximately $36 million to a record $447 million in fiscal 2026. EVI's founder-led, decentralized operating model preserves the brands, cultures, and local leadership of the businesses that join the Company while providing access to capital, technology, service capabilities, and enterprise infrastructure designed to support continued growth and operational improvement. Since 2016, revenue, net income, and adjusted EBITDA have compounded at approximately 29%, 16%, and 26%, respectively, while EVI has maintained a conservatively capitalized balance sheet that supports continued investment, acquisitions, and long-term value creation.

About EVI Industries

EVI Industries, Inc., through its wholly owned subsidiaries, is a value-added distributor and a provider of advisory and technical services in the commercial laundry distribution and service industry. Through its vast sales organization, the Company provides its commercial laundry distribution and service industry customers, which include retail, commercial, industrial, institutional, and government customers, with planning, designing, and consulting services related to their commercial laundry operations. The Company sells and/or leases commercial laundry equipment, specializing in washing, drying, finishing, material handling, water heating, power generation, and water reuse applications. In support of the suite of products it offers, the Company sells related parts and accessories. Additionally, through the Company's robust network of commercial laundry technicians, the Company provides its customers with installation, maintenance, and repair services. In addition to its commercial laundry distribution and service business, the Company also provides garment care services to individual consumers and luxury retail partners through the Company's consumer garment care services division.

Forward-Looking Statements

Except for the historical matters contained herein, statements in this press release are forward-looking and are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are subject to a number of known and unknown risks and uncertainties that may cause actual results, trends, performance or achievements to differ from the future results, trends, performance or achievements expressed or implied by such forward-looking statements. These risks and uncertainties include, among others, the risks related to EVI's business, results, financial condition, prospects, and growth strategy and plans, including risks associated with EVI's ability to successfully execute its buy-and-build growth strategy, organic growth and operational improvement initiatives, and its strategy for growing and scaling its consumer garment care services division, and other economic, competitive, governmental, technological and other risks and factors, including those discussed in the Company's filings with the Securities and Exchange Commission, including, without limitation, the "Risk Factors" section of EVI's Annual Report on Form 10-K for the fiscal year ended June 30, 2026, filed with the SEC on September 8, 2026. Many of these risks and factors are beyond EVI's control. In addition, past performance of EVI and its acquired businesses and perceived trends may not be indicative of future results. EVI cautions that the foregoing factors are not exclusive. The reader should not place undue reliance on any forward-looking statement, which speaks only as of the date made. EVI does not undertake to, and specifically disclaims any obligation to, update or supplement any forward-looking statement, whether as a result of changes in circumstances, new information, subsequent events or otherwise, except as may be required by law. Adjusted EBITDA is a non-GAAP financial measure. For a reconciliation of Adjusted EBITDA to net income, the most comparable GAAP financial measure, see the Company's earnings press release for the three- and twelve-month periods ended June 30, 2026, which was issued on September 8, 2026.
