Forward-Looking Statements

This press release contains statements that are “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements may be identified by the use of words such as “anticipate”, “believe”, “expect”, “estimate”, “plan”, “outlook”, and “project” and other similar expressions that predict or indicate future events or trends or that are not statements of historical matters. Forward-looking statements should not be read as a guarantee of future performance or results, and will not necessarily be accurate indications of the times at, or by, which such performance or results will be achieved. Forward-looking statements are based on information available at the time those statements are made and/or management’s good faith belief as of that time with respect to future events. These forward-looking statements are subject to various risks and uncertainties, not all of which are known to the Company and many of which are beyond the Company’s control, which could cause actual performance or results to differ materially from those expressed in or suggested by the forward-looking statements. These risks and uncertainties are described in greater detail in the Company’s filings with the SEC, including, without limitation, the Company’s annual and periodic reports and other documents filed with the SEC. Unless legally required, the Company disclaims any obligation to update any forward-looking statements, whether as a result of new information, future events or otherwise. The Company undertakes no obligation to update these statements after the date of this release.
