TTM Technologies, Inc. to Present at the Thomas Weisel Partners Annual Technology Conference on February 5, 2008

SANTA ANA, Calif.--(BUSINESS WIRE)--

TTM Technologies, Inc. (Nasdaq: TTMI), a leading manufacturer of time-critical, technologically advanced printed circuit boards, will participate in the Thomas Weisel Partners Technology, Telecom and Internet Conference on Tuesday, February 5, 2008 at 2:40 p.m. Pacific Time. The conference is being held at the Fairmont Hotel in San Francisco, California.

Kent Alder, President and CEO, and Steve Richards, CFO, will discuss TTM's successful strategy and its ability to capture market share in the printed circuit board industry.

The presentation will be webcast on the company's website, www.ttmtech.com, and will remain accessible for one week following the event.

About TTM Technologies, Inc.

TTM Technologies, Inc. is a leading supplier of time-critical and technologically advanced printed circuit boards to original equipment manufacturers and electronic manufacturing services companies. TTM stands for time-to-market, representing how the company's time-critical, one-stop manufacturing services enable customers to shorten the time required to develop new products and bring them to market. Additional information can be found at www.ttmtech.com.
