IRVINE, Calif., Jan. 15, 2019 /PRNewswire/ --[Xponential Fitness](#), a powerhouse curator of the nation's most elite fitness brands, has three concepts ranked in *Entrepreneur* magazine's 2019 Franchise 500®, the world's first, best and most comprehensive franchise ranking. Recognized as an invaluable resource for potential franchisees, the Franchise 500® ranks brands on outstanding performance in areas including unit growth, financial strength and stability and brand power. Xponential Fitness' three brands on this year's listing include:

- [Club Pilates](#) - The nation's largest and fastest-growing boutique Pilates franchise, ranked No. 134 this year, jumping over 100 spots from its 2018 ranking.
- [Pure Barre](#) - The nation's largest, most established barre franchise, came in at No. 267 this year
- [CycleBar](#) - The world's first and only premier indoor cycling franchise, made its debut on this year's Franchise 500 list, coming in at No. 492.

Each franchise is given a cumulative score based on an analysis of more than 150 data points and the 500 franchises with the highest cumulative scores become the Franchise 500® in ranking order. The key factors that go into the evaluation include costs and fees, size and growth, support, brand strength, and financial strength and stability.

Xponential Fitness, backed by CEO Anthony Geisler and Snapdragon Capital, was established to bring the highest quality fitness brands together under one umbrella, housing the best brands in every vertical of the boutique fitness industry and accelerating their growth domestically and internationally.
