## About RealPage

Located in Carrollton, Texas, a suburb of Dallas, RealPage provides on-demand (also referred to as "Software-as-a-Service" or "SaaS") products and services to apartment communities and single family rentals across the United States. Its six on-demand product lines include OneSite® property management systems that automate the leasing, renting, management, and accounting of conventional, affordable, tax credit, student living, and military housing properties; CrossFire® sales and marketing systems that boost occupancy and build retention; YieldStar® asset optimization systems that increase asset valuation and investment return; Velocity™ billing and utility management services that increase collections and reduce delinquencies; LeasingDesk® risk mitigation systems that reduce a community's exposure to risk and liability; and OpsTechnology™ spend management systems that help owners manage and reduce operating expenses. Supporting this family of SaaS products is a suite of shared cloud services including electronic payments, document management, decision support and learning. Through its Propertyware subsidiary, RealPage also provides software and services to single-family rentals and low density, centrally-managed multifamily housing.
