

Company Profile for RealPage

RealPage, Inc. is a leading provider of comprehensive property management software solutions for the multifamily, commercial, single-family and vacation rental housing industries. These solutions help property owners increase efficiency, decrease expenses, enhance the resident experience and generate more revenue. Using its innovative SaaS platform, RealPage's on-demand software enables easy system integration and streamlines online property management. Its product line covers the full spectrum of property management solutions, including leasing, accounting, revenue management, marketing solutions, resident services, renter insurance, utility management, spend management and apartment market research. Founded in 1998 and headquartered in Carrollton, Texas, RealPage currently serves over 10,000 clients worldwide from offices in North America, Europe and Asia.
