MicroVision to Participate in the Sidoti & Company, LLC Spring Investor Conference in New York City on March 28, 2019

REDMOND, Wash., March 06, 2019 (GLOBE NEWSWIRE) -- MicroVision, Inc. (NASDAQ:MVIS), a leader in innovative laser beam scanning technology for projection display and sensing, today announced that the company will participate in the Sidoti & Company, LLC Spring Investor Conference in New York City on March 28, 2019.

Perry Mulligan, MicroVision Chief Executive Officer, and Sumit Sharma, MicroVision Chief Operating Officer, will be available to provide an update on MicroVision and its current business opportunities, with a group presentation slated for 3:50 p.m. Eastern Time, as well as one-on-one meetings throughout the day. Anyone wishing to schedule a meeting is encouraged to contact their Sidoti Sales representative or contact David H. Allen, of Darrow Associates, for more information.

Webcast information for the company's March 28 presentation at 3:50 p.m. Eastern Time is available on the [Investor Events Calendar page](http://phx.corporate-ir.net/phoenix.zhtml?c=114723&p=irol-calendar) of MicroVision's website at <http://phx.corporate-ir.net/phoenix.zhtml?c=114723&p=irol-calendar>.

About MicroVision

MicroVision is the creator of PicoP® scanning technology, an ultra-miniature sensing and projection solution based on the laser beam scanning methodology pioneered by the company. MicroVision's platform approach for this sensing and display solution means that its technology can be adapted to a wide array of applications and form factors. MicroVision combines its hardware, software, and algorithms to unlock value for its customers by providing them a differentiated advanced solution for a rapidly evolving, always-on world.

Extensive research has led MicroVision to become an independently recognized leader in the development of intellectual property. MicroVision's IP portfolio has been recognized by the Patent Board as a top 50 IP portfolio among global industrial companies and has been included in the Ocean Tomo 300 Patent Index. The company is based in Redmond, Washington.

MicroVision® and PicoP® are registered trademarks of MicroVision, Inc. in the United States and other countries. All other trademarks are the properties of their respective owners.

Forward-Looking Statements

Certain statements contained in this release, including those relating to future products and product applications are forward-looking statements that involve a number of risks and uncertainties. Factors that could cause actual results to differ materially from those projected in the company's forward-looking statements include the following: our ability to raise additional capital when needed; products incorporating our PicoP display engine may not achieve market acceptance, commercial partners may not perform under agreements as anticipated, we may be unsuccessful in identifying parties interested in paying any amounts or amounts we deem desirable for the purchase or license of IP assets, our or our customers failure to perform under open purchase orders; our financial and technical resources relative to those of our competitors; our ability to keep up with rapid technological change; government regulation of our technologies; our ability to enforce our intellectual property rights and protect our proprietary technologies; the ability to obtain additional contract awards; the timing of commercial product launches and delays in product development; the ability to achieve key technical milestones in key products; dependence on third parties to develop, manufacture, sell and market our products; potential product liability claims; and other risk factors identified from time to time in the company's SEC reports, including the company's Annual Report on Form 10-K filed with the SEC. Except as expressly required by federal securities laws, we undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events, changes in circumstances or any other reason.
