

Wrap Technologies, Inc. Reports Second Quarter 2025 Results

Cost Reductions, Cash Flow Improvements, and Strategic Repositioning Mark Second Quarter Progress

MIAMI, Aug. 14, 2025 (GLOBE NEWSWIRE) -- Wrap Technologies, Inc. (NASDAQ: WRAP) ("Wrap" or the "Company"), a recognized innovator in public safety technology, today announced financial and operating results for the second quarter ended June 30, 2025.

Financial Results:

- Cost Reduction Initiative Completed: Operating expenses in Q2 2025 were reduced by 26% compared to Q1 2025, decreasing to \$3.3 million from \$4.5 million, respectively, reflecting continued cost optimization across entire organization. On a year-to-date basis, operating expenses were reduced by 14% for the six months ended June 30, 2025 compared to the same prior year period, down to \$7.9 million from \$9.1 million, respectively.
- Cash Flow Improvements Achieved: Net cash used in operations reduced by \$2.2 million during the six months ended June 30, 2025, down to \$5.0 million compared to \$7.2 million in the same period in 2024, exhibiting prudent financial stewardship. Cash increased 16% to \$4.2 million at June 30, 2025, up from \$3.6 million at December 31, 2024.
- Strategic Repositioning Continues: Revenue was \$1.0 million and \$1.8 million for the three and six months ended June 30, 2025, respectively, as the Company focuses on customer acquisition, enhanced value proposition, and executing a new Go-To-Market strategy.
- **Proactive Balance Sheet Discipline:** On June 30, 2025, the Company successfully amended the terms of certain of its outstanding warrants. These amendments enabled the Company to reclassify the warrant liability to additional paid-in capital. As a result, the Company will no longer recognize non-cash, mark-to-market changes in fair value through the Statement of Operations, reducing earnings volatility going forward.

Other Recent Highlights:

- Wrap launched WrapVision: North American-made all-in-one body-worn camera solution for law enforcement, public safety and healthcare.
- Wrap announced the appointment of Gerald "Jerry" Ratigan as Chief Financial Officer of the Company.
- Former SWAT leader and national educator joined WrapTactics[™] to launch digital preescalation training.

- The Supreme Court's unanimous Barnes v. Felix ruling expanded officer liability to the pre-escalation period, aligning with Wrap's mission and positioning BolaWrap® for accelerated adoption through newly trademarked "Pre-Escalation" and "WrapWindow" concepts.
- Expecting to take possession of the Company's new manufacturing facility in Norton, Virginia before the end of August 2025.

Wrap expects to host a call to discuss these results. Details, including the date, time, and a link to register, are provided below:

• Date: Thursday, August 14, 2025

• Time: 4:30 p.m. Eastern Time (1:30 p.m. Pacific Time)

About Wrap Technologies, Inc.

Wrap Technologies, Inc. (Nasdaq: WRAP) a global leader in innovative public safety technologies and non-lethal tools, delivering cutting-edge technology with exceptional people to address the complex, modern day challenges facing public safety organizations.

Wrap's BolaWrap® 150 solution leads the world in pre-escalation and beyond, providing law enforcement with a safer choice for nearly every phase of a critical incident.

This innovative, patented device deploys a multi-sensory, cognitive disruption that leverages sight, sound and sensation to expand the pre-escalation period and give officers the advantage and critical time to manage non-compliant subjects before resorting to higher-force options. The BolaWrap 150 is a non-pain-based compliance tool. It does not shoot, strike, shock, or incapacitate—instead, it helps officers strategically operate pre-escalation on the force continuum, reducing the risk of injury to both officers and subjects. Used by over 1,000 agencies across the U.S. and in 60 countries, BolaWrap® is backed by training certified by the International Association of Directors of Law Enforcement Standards and Training (IADLEST), reinforcing Wrap's commitment to public safety through cutting-edge technology and expert training.

Wrap Reality™ VR is a fully immersive training simulator to enhance decision-making under pressure.

As a comprehensive public safety training platform, it provides first responders with realistic, interactive scenarios that reflect the evolving challenges of modern law enforcement. By offering a growing library of real-world situations, Wrap Reality™ equips officers with the skills and confidence to navigate high stakes encounters effectively, leading to safer outcomes for both responders and the communities they serve.

WrapVision is an all-new body-worn camera and evidence management system built for efficiency.

Designed for efficiency, security, and transparency to meet the rigorous demands of modern

law enforcement, WrapVision captures, stores, and helps manage digital evidence with operational security, regulatory compliance and superior video picture quality and field of view.

The WrapVision camera, powered by IONODES boasts cloud integration and adheres to Trade Agreements Act (TAA) compliance requirements and GSA schedule contracts requirements. Crucially, unlike many competitor devices manufactured overseas in foreign, non-compliant, and possibly hostile regions, WrapVision is built right here in North America today, with a critical made-in-America roadmap by the end of 2025. This track helps ensure unparalleled data integrity and helps eliminate critical concerns over unauthorized access or foreign surveillance risks.

Cautionary Note on Forward-Looking Statements – Safe Harbor Statement

This release contains "forward-looking statements" within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995. Words such as "expect," "anticipate," "should", "believe", "target", "project", "goals", "estimate", "potential", "predict", "may", "will", "could", "intend", and variations of these terms or the negative of these terms and similar expressions are intended to identify these forward-looking statements. Moreover, forward-looking statements are subject to a number of risks and uncertainties, many of which involve factors or circumstances that are beyond the Company's control. The Company's actual results could differ materially from those stated or implied in forwardlooking statements due to a number of factors, including but not limited to: the Company's ability to maintain compliance with the Nasdag Capital Market's listing standards; the Company's ability to successfully implement training programs for the use of its products; the Company's ability to manufacture and produce products for its customers; the Company's ability to develop sales for its products; the market acceptance of existing and future products; the availability of funding to continue to finance operations; the complexity, expense and time associated with sales to law enforcement and government entities; the lengthy evaluation and sales cycle for the Company's product solutions; product defects; litigation risks from alleged product-related injuries; risks of government regulations; the business impact of health crises or outbreaks of disease, such as epidemics or pandemics; the impact resulting from geopolitical conflicts and any resulting sanctions; the ability to obtain export licenses for counties outside of the United States; the ability to obtain patents and defend intellectual property against competitors; the impact of competitive products and solutions; and the Company's ability to maintain and enhance its brand, as well as other risk factors mentioned in the Company's most recent annual report on Form 10-K, subsequent quarterly reports on Form 10-Q, and other Securities and Exchange Commission filings. These forward-looking statements are made as of the date of this release and were based on current expectations, estimates, forecasts, and projections as well as the beliefs and assumptions of management. Except as required by law, the Company undertakes no duty or obligation to update any forward-looking statements contained in this release as a result of new information, future events or changes in its expectations.
