# BioCorRx, Inc. Announces Agreement with Four Additional Wellness Centers in California and Illinois

Los Angeles, Sept. 9, 2015 (GLOBE NEWSWIRE) --[BioCorRx, Inc.](#) (BICX), developer of the Start Fresh Program, a Medication-Assisted Treatment (MAT) program, announces new distribution agreements to bring the Start Fresh Program into four additional wellness centers. The agreements are part of the company's continued focus to distribute its addiction treatment program to wellness centers nationally through a partnership with Myriad Medical Marketing (MMM). The new centers are Wellness Institute of Illinois, Coastside Health and Medical Clinic, INC., Mazolewski OC Medical PC, and COR Medical Group.

"We are pleased about the continued expansion of our addiction treatment program into these centers," stated COO & interim CEO, Brady Granier. "Many individuals already receiving care at these centers, as well as their friends and families, will now hear about our program from their trusted healthcare providers in their respective areas. Those who are struggling with addiction to alcohol or opioids can soon receive private, out-patient care using the tools of our program in a familiar and convenient setting," says Granier

The new clinic locations are:

## **Wellness Institute of Illinois**

6119-B Northwest Hwy

Crystal Lake, Illinois 60014

## **Coastside Health and Medical Clinic, INC.**

1618 Sullivan Ave, #208

Daly City, California 94015

## **Mazolewski OC Medical PC**

9988 Hibert, Suite 100

San Diego, California 92131

## **COR Medical Group**

1405 W. Rancho Vista Blvd.

Palmdale, CA 93551

### ***About BioCorRx***

BioCorRx, Inc. ® (OTCQB: BICX) is an addiction treatment and rehabilitation company offering a unique approach to the treatment of substance abuse addiction. The Start Fresh Program®, a Medication-assisted Treatment (MAT) program, consists of two components. The first component of the program consists of an outpatient implant procedure performed by a licensed physician. The implant delivers therapeutic levels of the drug Naltrexone, an opioid antagonist that significantly reduces physical cravings for alcohol and opioids, into the body. The second component of the program developed by BioCorRx, Inc. is a one on one counseling program specifically tailored for the treatment of alcoholism and other substance abuse addictions. Clinic reports show that the treatment program can be successful for individuals who complete the program. For more information on BICX, visit [www.BioCorRx.com](http://www.BioCorRx.com)
