About Benzinga All Access

Benzinga All Access is a first-of-its-kind show: part interview, part investor presentation. On All Access, Benzinga partners with companies to bring you in-depth one-on-one conversations with executives across a wide range of industries and asset classes. From emerging biotechs, to alternative real estate investment platforms, to everything in between, guests on All Access have one thing in common: they want to tell their story to investors.

About BioCorRx

BioCorRx Inc. (OTCQB: BICX) is an addiction treatment solutions company offering a unique approach to the treatment of substance use and other related disorders. Beat Addiction Recovery is a substance use disorder recovery program that typically includes BioCorRx's proprietary Cognitive Behavioral Therapy (CBT) modules along with peer support via mobile app along with medication prescribed by an independent treating physician under their discretion. The UnCraveRx® Weight Loss Program is also a medication assisted weight loss program that includes access to concierge on-demand wellness specialists: nutritionists, fitness experts and personal support from behavioral experts; please visit www.uncraverx.com for more information on UnCraveRx®. The Company also controls BioCorRx Pharmaceuticals, a clinical stage drug development subsidiary currently seeking FDA approval for BICX104, an implantable naltrexone pellet for treatment of alcohol and opioid use disorders. For more information on BICX and its subsidiary pipeline, please visit www.BioCorRx.com.
