Weave Integrates with Blue by Dolphin

New integration opens up powerful Weave features for orthodontic providers using Blue Practice Management Software

LEHI, Utah--(BUSINESS WIRE)-- [Weave](#) (NYSE: WEAV), a leading all-in-one experience platform for small and medium-sized healthcare businesses, today announced an integration with Blue by Dolphin, a cloud-based practice management system for orthodontic providers. This integration fuels powerful experiences for customers by unlocking the following Weave features:

Scheduled Messages & Appointment Reminders: Keep schedules full with automated appointment reminders sent to clients from Weave.

Call Pop: View client information like household name, demographics and a photo while assisting them over the phone.

Automated Texts: Save time with automated reminders including appointment and save-the-date reminders, Google review requests, birthday greetings and more.

Schedule Sync: Simplify scheduling with automatic data sync and planned patient communications. Filter your schedule by confirmed and unconfirmed clients, appointment type and staff member—then utilize Weave's built-in communication tools to follow up with individuals on your schedule.
