About OLAPLEX

OLAPLEX is an innovative, science-enabled, technology-driven beauty company with a mission to improve the hair health of its consumers. In 2014, OLAPLEX disrupted and revolutionized the prestige hair care category by creating innovative bond-building technology, which works by protecting, strengthening and relinking broken bonds in the hair during and after hair services. The brand's proprietary, patent-protected ingredient works on a molecular level to protect and repair damaged hair. OLAPLEX's award-winning products are sold through an expanding omnichannel model serving the professional, specialty retail, and direct-to-consumer channels.
