Marvell Technology Group Ltd. Receives Additional Notice from Nasdaq

SANTA CLARA, Calif., June 18 /PRNewswire-FirstCall/ -- Marvell Technology Group Ltd. (Nasdaq: MRVL) today announced that it has received a notice from the NASDAQ Stock Market dated June 11, 2007 stating that the Company is not in compliance with NASDAQ's Marketplace Rule 4310(c)(14) because the Company has not timely filed its Quarterly Report on Form 10-Q for the fiscal quarter ended April 28, 2007 and, therefore, its common stock continues to be subject to delisting from The Nasdaq Global Select Market. Marvell received similar notices on March 30, 2007, December 8, 2006, and September 8, 2006 due to the delay in filing its Form 10-K for the fiscal year ended January 27, 2007 and its Forms 10-Q for the fiscal quarters ended October 28, 2006 and July 29, 2006. As previously disclosed, a special committee of the Company's Board of Directors has conducted an internal review relating to the Company's historical stock option practices and related accounting matters. The Company is working diligently to complete the restatement of its historical financial statements and file its delayed Forms 10-Q and Form 10-K as soon as practicable.
