Marvell Brings Home the Gold! Shaun White Talks Snowboards, Shredding and... Semiconductors at CTIA Wireless 2010

Olympic Gold Medalist to host interactive booth session showcasing Marvell's new 3D gaming capabilities and powerful processors

What:

2010 Olympic gold medalist Shaun White, fresh from his Vancouver victory, will challenge Marvell booth attendees to a session on the virtual slopes, as he showcases Marvell's high performance, 3D gaming technology. Just as Shaun White pushes the very limits of snowboarding every time he hits the slopes and loves to entertain the crowd, Marvell continually drives innovation within the consumer electronics industry, enabling the most powerful, most exciting and crowd pleasing devices in the fields of gaming, smartphones, tablets and more.

Who:

Shaun White, two-time Olympic gold medalist

Where:

CTIA Wireless 2010

Marvell booth at North Hall # 7043

Las Vegas Convention Center

When:

March 24, 2010

1:00 – 3:00 p.m. PT
