Marvell Technology Group Ltd. Increases Share Repurchase Program

SANTA CLARA, Calif., July 5, 2011 /PRNewswire/ -- Marvell (NASDAQ: MRVL), a global leader in integrated silicon solutions, announced that the Board of Directors has authorized Marvell to repurchase up to an additional \$500 million under its share repurchase program.

With this increase, the cumulative total share repurchase authorized by the Board will amount to \$1.5 billion. Marvell has made approximately \$1 billion in share repurchases under the prior authorization.

"We continue to be confident in our growth prospects and our ability to generate significant cash flows. Combined with our strong balance sheet, we believe this increase in the share repurchase is consistent with our plan to return value to our shareholders," said Sehat Sutardja, Chairman, President and CEO of Marvell.

Marvell intends to effect the repurchase program in accordance with the conditions of Rule 10b-18 under the Exchange Act. The repurchase program will be subject to market conditions and other factors and does not obligate Marvell to repurchase any dollar amount or number of its common shares. The program may be extended, modified, suspended or discontinued at any time. The repurchases, which are expected to be funded from Marvell's current cash and short-term investments position that stood at approximately \$2.3 billion as of April 30, 2011, may occur in open market, privately negotiated or block transactions.

About Marvell

Marvell is a global leader in the development of storage, communications and consumer silicon solutions. Marvell's diverse product portfolio includes switching, transceiver, communications controller, wireless, and storage solutions that power the entire communications infrastructure, including enterprise, metro, home, and storage networking. As used in this release, the term "Marvell" refers to Marvell Technology Group Ltd. and its subsidiaries. For more information please visit www.marvell.com.

Safe Harbor Statement of Marvell under the Private Securities Litigation Act of 1995:

This press release contains forward-looking statements that involve risks and uncertainties, including statements regarding Marvell's future growth prospects and ability to generate significant cash flows; Marvell's ability to fund common share purchases out of Marvell's current cash position; and the types of transactions pursuant to which repurchases will be made under the share repurchase program. These statements are not guarantees of results and should not be considered as an indication of future performance. Actual events or results may differ materially from those described in this document due to a number of risks and uncertainties, including, among others, Marvell's reliance on major customers and suppliers; market acceptance of new products; and other risks detailed in Marvell's SEC

filings. For other factors that could cause these forward-looking statements to vary from expectations, please see the risk factors identified in Marvell's latest Quarterly Report on Form 10-Q for the quarter ended April 30, 2011 and Current Reports on Form 8-K, as filed with the SEC and other factors detailed from time to time in Marvell's filings with the SEC. Marvell undertakes no obligation to revise or update publicly any forward-looking statements.
