Marvell Technology Group Ltd. Announces Appointment of Willem Meintjes as Senior Vice President, Finance

SANTA CLARA, Calif., June 16, 2016 /PRNewswire/ -- [Marvell](#) (NASDAQ:MRVL), a world leader in storage, cloud infrastructure, Internet of Things (IoT), connectivity and multimedia semiconductor solutions, today announced the appointment of Willem Meintjes as Senior Vice President, Finance, effective immediately. In this role, Mr. Meintjes will lead the Company's Financial Planning and Analysis (FP&A) team with responsibility for building and managing financial plans along with strategic analysis and reporting.

"We're very pleased to have Willem join the Marvell team," said David Eichler, Interim Chief Financial Officer at Marvell Technology Group. "His extensive background and real-world experience in finance and operations are pivotal to the continued success of Marvell now and into the future."

Mr. Meintjes has more than a decade of experience establishing and leading global finance teams in companies with significant operating scale and complexity. He joins Marvell from Newport Corporation where he was Vice President and Corporate Controller. Prior to Newport Corporation, Mr. Meintjes was Vice President and Corporate Controller at International Rectifier, acquired by Infineon, from 2012 to 2013. At International Rectifier, he also served in strategic finance planning and analysis roles since 2009. He also held domestic and international positions at Deloitte and Touche LLP from 2003 to 2009.

Mr. Meintjes earned a Bachelor of Commerce in Accounting in 2001 and a Bachelor of Commerce Honors in Accounting in 2002 from the University of Johannesburg. He is a certified public accountant in the state of California.

About Marvell
