Transaction Information

Hollywood Trucks Technologies, LLC ("Hollywood Trucks" or the "Company"), a wholly owned subsidiary of Autonomous Mobile Power, Inc., announced the closing of its senior secured growth financing facility with an institutional investor.

The financing will support Hollywood Trucks as it scales its fleet to meet growing demand from leading entertainment studios and commercial customers. Through its exclusive agreement with Universal Production Services for the Universal Studios Lot, the Company continues to provide film and television productions with innovative autonomous-energy infrastructure that reduces emissions while providing reliable, on-site mobile power.

Roth Capital Partners acted as financial advisor to Hollywood Trucks.

About Hollywood Trucks Technologies, LLC

Hollywood Trucks is the world's leading autonomous-energy entertainment fleet. Founded by Andre Champagne, the company has supported more than 3,000 productions worldwide and is recognized for pioneering autonomous powered transportation and clean, mobile power solutions for the entertainment industry. In 2014, Andre Champagne introduced the world's first patented solar-powered talent trailers, and in 2026 Hollywood Trucks has launched its next generation of Ecoluxe, Vehicle-to-Grid (V2G) enabled trailers, enabling autonomous mobile power distribution for large-scale commercial applications. Through its exclusive agreement with Universal Production Services, the company

continues to help advance more self-sustaining production operations across the entertainment industry. For more information, visit www.HollywoodTrucks.com
